

## Across the Border Line

<sup>E</sup> There's a place so <sup>H7</sup> I've been told <sup>E</sup>

<sup>D</sup> where every street is paved with gold <sup>A</sup>

<sup>E</sup> and it's just across the border line <sup>H7</sup>

<sup>E</sup> And when it's time to take your turn <sup>H7</sup> <sup>E</sup>

<sup>D</sup> there's a lesson you must learn <sup>A</sup>

<sup>E</sup> you could lose more than you ever thought you'd find <sup>H7</sup> <sup>E</sup>

<sup>A</sup> And when you reach the broken promised land <sup>E</sup>

<sup>A</sup> and all your dreams slip through your hands <sup>E</sup>

<sup>E</sup> and you know it's too late to change your mind <sup>H7</sup>

<sup>A</sup> because you've paid the price to come so far <sup>E</sup>

<sup>A</sup> just to wind up where you are <sup>E</sup>

<sup>E</sup> and you're still just across the border line <sup>H7</sup> <sup>E</sup>

Up and down the Rio Grande  
a thousand footprints in the sand  
reveal a secret no one can define  
The river flows on like a breath  
in between are life and death

Tell me, who's the next to cross the border line

<sup>Am</sup>  
Your breath is sweet

Your eyes are like two jewels in the sky.

Your back is straight, your hair is smooth

On the pillow where you lie.

Your daddy he's an outlaw

and a wanderer by trade.

He'll teach you how to pick and choose

and how to throw the blade.

He oversees his kingdom

so no stranger does intrude

His voice it trembles as he calls out  
for another plate of food.

**One more cup of coffee for the road ...**

Your sister sees the future

like your mama and yourself.

You've never learned to read or write  
there's no books upon your shelf.

And your pleasure knows no limits

your voice is like a meadowlark

but your heart is like an ocean

mysterious and dark.

## Sundown

A G D

I can see her lying back in her faded dress

In a room where you do what you don't confess

||: Sundown you better take care

If I find you been creeping 'round my back stairs :||

She's been looking like a queen in a sailor's dream

And she don't always say what she really means

||: Sometimes I think it's a shame

When I get feeling better when I'm feeling no pain :||

I can picture every move that a man could make

Getting lost in her loving is your first mistake

Sundown you better take care

If I find you been creeping 'round my back stairs

Sometimes I think it's a sin

When I feel like I'm winning when I'm losing again

I can see her looking fast in her faded jeans

She's a hard loving woman, got me feeling mean

Sometimes I think it's a shame

When I get feeling better when I'm feeling no pain

||: Sundown you better take care

If I find you been creeping 'round my back stairs :||

Sometimes I think it's a sin

When I feel like I'm winning when I'm losing again

There's <sup>F</sup> guns across the river, aimin' <sup>Bb</sup> at you <sup>F</sup>  
there's <sup>F</sup> a lawman on your trail d'like <sup>Bb</sup> to surround you <sup>F</sup>  
bounty-hunters are dancin' <sup>F</sup> all around you  
Billy, they don't like you to be so free <sup>F</sup> 2 mal

There's mirrors inside the minds of crazy faces  
bullet-holes and rifles in their cases  
there's allways one more knockin' for more aces  
Billy, and you're playin' all alone 2 mal

Look, businessman from Taos, they want you to go down  
they've hired Mr. Garret to force you to slow down  
Billy, don't it make you feel so low down  
to be hunted by the man, who was your friend? 2 mal

## Instrumental Strofe

They say, that Pat Garret's got your number  
so sleep with one eye open, when you wander  
cause every little sound just might be thunder  
thunder from the barrel of his gun 2 mal

Playin' round with some sweet senorita  
into her dark chamber she agreed you  
in the shadows of the mesas she will lead you  
Billy, and you're goin' all alone 2 mal

Campin' out all night on the veranda  
walkin' endless streets down by the hacienda  
up to Boot-hill they'd like to send you  
Billy, don't you turn your back on me 2 mal

Oh, the music he plays, the way he moves me and sways  
rocks me to the floor

when he sings in my ear, he makes me shiver and fear  
leaves me wanting more and more

**Cause he`s my big bad handsome man .....**

With his rugged good looks, yeah, he`s got me hooked  
got me where he wants me to be  
with his arms so wide he pulls me in by his side  
he`s the kind of guy who does it for me

**He`s my big bad handsome man .....**

# In The Air Tonight Chords by Phil Collins

For all the mystery and tension in this tune, it's very simple. When I play it on keyboards I keep a low "D" depressed throughout the song. (Actually I put a roll of pennies on the key). I actually play the keyboard and guitar lines at the same time using a volume pedal on my guitar.

[Intro]

**Dm C Bb C** x2

[Chorus]

**Dm C Bb C**  
I can feel it coming in the air tonight... oh lord  
**Dm C Bb C**  
I've been waiting for this moment.. for all my life.. oh lord  
**Dm C Bb C**  
Can you feel it coming in the air tonight.. oh lord?  
**Dm**  
Oh lord

[Verse 1]

**Dm**  
Well, when you told me you were drowning  
**C**  
I would not lend a hand  
**Bb**  
I've seen your face before, my friend  
**Dm**  
But I don't know if you know who I am  
**Dm**  
But I was there and I saw what you did  
**C**  
Saw it with my own two eyes  
**Bb**  
So you can wipe off that grin... I know where you've been  
**Dm**  
It's all been a pack of lies

[Chorus]

**Dm C Bb C**  
I can feel it coming in the air tonight... oh lord  
**Dm C Bb C**  
I've been waiting for this moment.. for all my life.. oh lord  
**Dm C Bb C**  
I can feel it coming in the air tonight... oh lord

**Dm**  
Oh lord

[Verse 2]

**Dm**  
Well, I remember

I remember, don't worry

**C**  
How could I ever forget?

**Bb** **Dm**  
It's the first time... and the last time we ever met

**Dm** **C**  
But I know the reason why you keep this silence up

No, you don't fool me

**Bb**  
For the hurt doesn't show

But the pain still grows

**Dm**  
It's no stranger to you and me

[Chorus]

**Dm** **C** **Bb** **C**  
I can feel it coming in the air tonight... oh lord

**Dm** **C** **Bb** **C**  
I've been waiting for this moment.. for all my life.. oh lord

**Dm** **C** **Bb** **C**  
I can feel it coming in the air tonight... oh lord

**Dm** **C** **Bb** **C**  
I can feel it coming in the air tonight... oh lord

**Dm** **C** **Bb** **C**  
I've been waiting for this moment.. for all my life.. oh lord

**Dm** **C** **Bb** **C**  
I can feel it coming in the air tonight... oh lord

**Dm** **C** **Bb** **C**  
I can feel it coming in the air tonight... oh lord
