

Across the Border Line

^E There's a place so ^{H7} I've been told ^E

^D where every street is paved with gold ^A

^E and it's just across the border line ^{H7}

^E And when it's time to take your turn ^{H7} ^E

^D there's a lesson you must learn ^A

^E you could lose more than you ever thought you'd find ^{H7} ^E

^A And when you reach the broken promised land ^E

^A and all your dreams slip through your hands ^E

^E and you know it's too late to change your mind ^{H7}

^A because you've paid the price to come so far ^E

^A just to wind up where you are ^E

^E and you're still just across the border line ^{H7} ^E

Up and down the Rio Grande
a thousand footprints in the sand
reveal a secret no one can define

The river flows on like a breath
in between are life and death

Tell me, who's the next to cross the border line

He'll teach you how to pick and choose

and how to throw the blade.

He oversees his kingdom

so no stranger does intrude

His voice it trembles as he calls out
for another plate of food.

One more cup of coffee for the road ...

Your sister sees the future

like your mama and yourself.

You've never learned to read or write
there's no books upon your shelf.

And your pleasure knows no limits

your voice is like a meadowlark

but your heart is like an ocean

mysterious and dark.

One more cup of coffee for the road ...

Billy The Kid

There's guns across the river, aimin' at you
there's a lawman on your trail d'like to surround you
bounty-hunters are dancin' all around you
Billy, they don't like you to be so free 2 mal

There's mirrors inside the minds of crazy faces
bullet-holes and rifles in their cases
there's allways one more knockin' for more aces
Billy, and you're playin' all alone 2 mal

Look, businessman from Taos, they want you to go down
they've hired Mr. Garret to force you to slow down
Billy, don't it make you feel so low down
to be hunted by the man, who was your friend? 2 mal

Instrumental Strofe

They say, that Pat Garret's got your number
so sleep with one eye open, when you wander
cause every little sound just might be thunder
thunder from the barrel of his gun 2 mal

Playin' round with some sweet seniorita
into her dark chamber she agreed you
in the shadows of the mesas she will lead you
Billy, and you're goin' all alone 2 mal

Campin' out all night on the veranda
walkin' endless streets down by the hacienda
up to Boot-hill they'd like to send you
Billy, don't you turn your back on me 2 mal

In The Air Tonight Chords by Phil Collins

For all the mystery and tension in this tune, it's very simple. When I play it on keyboards I keep a low "D" depressed throughout the song. (Actually I put a roll of pennies on the key). I actually play the keyboard and guitar lines at the same time using a volume pedal on my guitar.

[Intro]

Dm C Bb C x2

[Chorus]

Dm C Bb C
I can feel it coming in the air tonight... oh lord
Dm C Bb C
I've been waiting for this moment.. for all my life.. oh lord
Dm C Bb C
Can you feel it coming in the air tonight.. oh lord?
Dm
Oh lord

[Verse 1]

Dm
Well, when you told me you were drowning
C
I would not lend a hand
Bb
I've seen your face before, my friend
Dm
But I don't know if you know who I am
Dm
But I was there and I saw what you did
C
Saw it with my own two eyes
Bb
So you can wipe off that grin... I know where you've been
Dm
It's all been a pack of lies

[Chorus]

Dm C Bb C
I can feel it coming in the air tonight... oh lord
Dm C Bb C
I've been waiting for this moment.. for all my life.. oh lord
Dm C Bb C
I can feel it coming in the air tonight... oh lord

Dm
Oh lord

[Verse 2]

Dm
Well, I remember

I remember, don't worry

C
How could I ever forget?

Bb **Dm**
It's the first time... and the last time we ever met

Dm **C**
But I know the reason why you keep this silence up

No, you don't fool me

Bb
For the hurt doesn't show

But the pain still grows

Dm
It's no stranger to you and me

[Chorus]

Dm **C** **Bb** **C**
I can feel it coming in the air tonight... oh lord

Dm **C** **Bb** **C**
I've been waiting for this moment.. for all my life.. oh lord

Dm **C** **Bb** **C**
I can feel it coming in the air tonight... oh lord

Dm **C** **Bb** **C**
I can feel it coming in the air tonight... oh lord

Dm **C** **Bb** **C**
I've been waiting for this moment.. for all my life.. oh lord

Dm **C** **Bb** **C**
I can feel it coming in the air tonight... oh lord

Dm **C** **Bb** **C**
I can feel it coming in the air tonight... oh lord

Dm **C** **Bb** **C**
I've been waiting for this moment.. for all my life.. oh lord

Dm **C** **Bb** **C**
I can feel it coming in the air tonight... oh lord
